

# Our first quarter Kindergarten theme is All About Me.

**Writing:** We will be practicing writing our first names. We will also be learning how to write an opinion piece using pictures and words. This quarter we are really building our fine motor skills to help us with our writing.

**Language Arts:** This quarter we will be working on reading both literature and informational text. We will identify the character, setting and events in a story. We will learn to ask and answer questions about a text. We will also retell events in a story.

**Math:** This quarter we will be practicing recognizing and writing our numbers. We will also be working on the concept of same and different as well as comparing numbers. We will then end the quarter with size, length and weight of objects.

**Social Studies:** We will be learning how to be a good citizen. We will identify different positions of objects. Also, we will be learning about different community helpers.

**Science:** We will learn about the body and the five senses. We will also work on what plants need to survive.

**\*\*\***There are weekly character meetings to focus on showing good character as well as to discuss bullying.
